

## MAINTENANCE PROGRAMME

Real cost savings and marketing advantages come from our broad service agreement. Our objective as a company is to be the kind of partner that will make a maintenance agreement work to everyone's profit.

Our maintenance programs already has a number of specialized areas. Residential & Commercial buildings, hotels, shopping centers, industrial parks, schools, hospitals, petrochemical plants, water treatment plants, power stations, cooling towers, microwave towers, piers, jetties, quays etc.,

### Annual Maintenance Contracts (AMC)

When material costs are covered in our preventive maintenance agreement, we have a strong incentive to keep things running smoothly to avoid large repairs. The owner and tenants don't have to worry about budgeting or approvals that can strain relationships or delay preventative repair.

### HVAC – Air Quality Compliance

As a part of our maintenance responsibility, we also takes responsibility for regularly checking the building's air quality compliance. The ability to fine-tune comfort zones is a valuable selling point when leasing office space. A better approach to service that can improve the cost of cooling and protect your investments.

### HVAC - Equipments Rental

Package Type Air Conditioners (100 to 1000 Tons), Generator Sets (Diesel Generators) Rentals etc.

### Elevators, Lift & Escalators
