HVAC JOBS

We are looking Sub Contractors, HVAC Engineers, and Senior Central AC Technicians preferably local Job Seekers, who can handle HVAC projects in the UAE, Saudi & other Middle East Countries. Contact immediately with full details at: premier@hvacuae.com

Welcome to Premier Contracting

We undertake Expert Consulting and Estimation of HVAC Projects, Commissioning, Electro-Mechanical Manufacturing and Assemblies including Switchgear, Transmission Busbars etc. We maintain the standard of indoor air-quality, monitor and manage energy related operation cost, that range from calculating building heat loss and gain to the design of complete comfort systems.

The stunning advances in electronic computing and control capabilities help us understand issues of indoor air quality and system economics. Microprocessor systems offer the ability to control building comfort equipment at new levels. These advances promise to be the keys to improved HVAC system efficiency. [HVAC & SPECIALITIES](#)
